**THIS MATTER** is before the court on its own inquiry as to stay pending appeal and to consolidate these actions. Review of the pleadings reveals that these

actions have been appealed to the Court of Appeals for the Fourth Circuit, which has

consolidated such appeals. For purposes of effective pretrial management, the court

will now consolidate these actions.

While under the Rule of Appellate Procedure such an interlocutory appeal does

not automatically stay proceedings in this action, this court questions whether this

action should proceed. To that end, the undersigned will require counsel for the

respective parties to discuss the issue and file an appropriate motion with the court

within 14 days.

**ORDER** 

IT IS, THEREFORE, ORDERED that the above captioned actions are

CONSOLIDATED, and the parties shall file appropriate motions within 14 days

either seeking a stay or entry of a Pretrial Order in this matter.

Signed: October 1, 2009

Dennis L. Howell

United States Magistrate Judge
